

Paradise, found.

Found.
An island of peace
and plenty **to do**

Blue waters surround you in every direction. Sugar-white sands reflect the warm sun. Gentle trade winds rustle through palms. This is the Avalon Reef Club. Just over six miles from Cancun at the northern tip of Isla Mujeres, this four star resort occupies its own island, accessible only by a private pier. Here you'll enjoy stunning views of coral reefs and crystal clear waters. Whether you stay in the colony of terracota villas or in a pyramid tower that soars into the Mayan sky, the Avalon Reef Club is an ideal vacation destination for just about everyone.
